Permit Application Instructions

PLEASE PRINT CLEARLY

1. Check the appropriate Box for the Type of Permit for which you are applying.
2. Complete Owner section complete with all requested Information. Approved permits will be sent to the address indicated or may be picked up at the Borough Building by appointment.
3. Provide a Description of Planned Project/Work, and Cost, briefly explaining what the project will consist of, i.e., Install Fence, Construct Garage, Remodel Porch, etc. Be aware that depending upon the Scope of the Project inspection may be required by the Borough Building Inspector.
4. Provide a Drawing. This should include all existing structures on your property, all adjacent streets, including any secondary street (alley). The drawing should indicate the location of the project. Any project involving a "new" structure must include distances from your property lines.

FEE: Payment is to be sent with the application. Please mail completed application along with payment to:
